

Dear Esteemed MTCians,  
Happy Evening and Greetings for the Day!

We, at MTC Global, take immense pleasure to inform that our first book titled "Management of Management Department—A Road to Excellence" is going to press by this weekend. The soft copy of the book was ready one year before but because of NIL fund at HQ we could not proceed for publishing the book. But we were confident that definitely the book would see the rising sun. The time has come JUST NOW.....

The book is solely sponsored by Rooshikumar Pandya whose mission in his own words is, "My optimistic estimate is that about 15% of people work towards realizing their full potential. My mission is to increase that percentage by a fraction before I meet my Maker," and also he sees the publication of this book as one of the means towards fulfilling his mission.

## Rooshikumar Pandya

We at MTC Global extend our heartfelt thank to Rooshikumar Pandya for his contribution towards this noble cause. Our joys knew no bound.

*Happy Knowledge Sharing.*

Warm Regards,
